

Meet the employers – Manufacturing

What general skills do young people need when starting their first job?

- Willingness to learn (most important)
- Good personal presentation (i.e. how you look and come across)
- To be able to get on with other people well

What skills, qualifications and experience would a young person need to have on their CV to increase their chances of getting a job in your sector?

- Get a job - any job shows commitment and responsibility
- Experience
- GCSEs always good to have
- Eagerness to work and learn in that industry

What should a young person in Brighton and Hove do to improve their chances of getting a job in your sector?

- Look for interview tips
- Consider their appearance
- Go the extra step i.e. make contact to thank them for the opportunity or ask them how they think you did – set yourself apart in their memories.
